I believe said patentees to be the original first and joint inventors of the subject matter which is described and claimed in the above-referenced patent, for which a reissue application is sought.

A copy of the specification of said patent is attached hereto.

I have reviewed and understand the contents of the above-identified specification, including claims, as amended by the Amendment filed concurrently herewith.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

At least One Error

I verily believe the original patent to be wholly or partly inoperative or invalid by reason of the patentee claiming more or less than patentees had a right to claim in the patent.

At least one error upon which reissue is based is described as follows: The original claims did not include individual species claims which are now being presented.

No Deceptive Intent

All errors corrected in this reissue application arose without any deceptive intention on the part of the applicant.

Priority Under 35 USC 119

Priority is claimed under 35 USC 119 as follows:
